

Where will you toss your wedding bouquet?

By a beautiful beach?

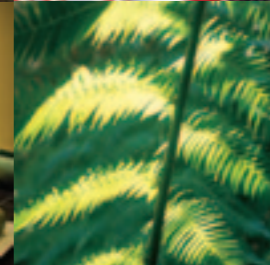

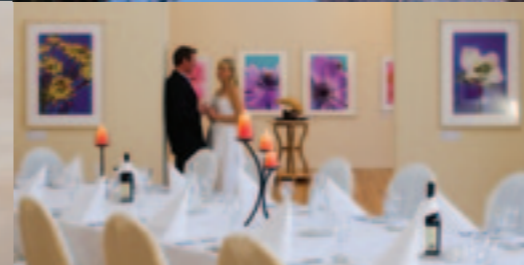

In an alpine garden?

*On a remote island, with
just you and your guests?*

Open up for some surprising ideas
to make your special day unique!

Are you ready to consider something more imaginative than a city wedding?

By a beautiful beach

Picture yourself on your wedding day in the natural haven of Freycinet Lodge, nestled in coastal bushland beneath pink granite peaks, with the sparkling waters of Oyster Bay spread out before you.

We'll take care of everything – fabulous food and wine, matchless services and careful attention to every detail. You'll also love the serenity of your own private spa cabin among the casuarina trees.

For the ceremony itself, where better than the shores of Honeymoon Bay or on the white sands of Wineglass Bay or the Friendly Beaches – or perhaps on the spectacular clifftop of Cape Tourville, with views from the lighthouse across the Tasman Sea? Or simply on the deck of the Lodge, looking out towards Great Oyster Bay?

Let us help make your wedding day memorable and perfect – here at Freycinet Lodge.

In an alpine garden

Imagine exchanging vows on the shores of Dove Lake, with the serene summit of Cradle Mountain as a backdrop – or in the expansive rooms of The Wilderness Gallery, with superb nature photography glowing from the walls.

Cradle Mountain Chateau offers you a full range of services and facilities for a wonderful wedding celebration – great accommodation, a variety of function rooms and versatile spaces, outstanding food and wine, a warm mountain welcome.

Prepare for the big day with a pampering in Calm Day Spa – then venture out to explore the bush tracks and alpine lakes of the World Heritage Area. You can take a number of walks around Cradle Mountain, including the accessible Enchanted Walk, two-hour Dove Lake Circuit, or challenging day trek to the Cradle Mountain Summit. Perhaps join an evening wildlife tour, guided walks and canoeing, all of which can be arranged from the Chateau.

Let us show you the charm and appeal of an alpine wedding day!

The scenic West Coast

For a wedding day that's truly unique, choose the amazing West Coast! We can arrange a small and intimate ceremony for up to ten people on Bonnet Island, near the wild and magnificent entrance to Macquarie Harbour – or for 100 people on Sarah Island, or celebrate cruising on the *Lady Jane Franklin II*.

For another amazing choice, what about a journey on the West Coast Wilderness Railway, with your wedding ceremony at Lower Landing on the banks of the King River; then refreshments on the way to Dubbil Barril and Rinadeena Stations; with your reception aboard the train, deep in the rainforest!

There's a wide range of accommodation for your wedding guests at Strahan Village, as well as excellent facilities for functions and celebrations.

For a day you'll always remember, this is the place!

Give us a ring

We'd like to tell you more about how we can make your special day even more wonderful – whether it's in a Tasmanian mountain landscape, by a beautiful beach, in the rainforest or on a remote wilderness island.
